BS IN INFORMATION SYSTEM

Philippine State College of
Aeronautics
2021-2025

SENIOR HIGH SCHOOL

Polytechnic University of the
Philippines
2019-2021

JUNIOR HIGH SCHOOL

Jose P. Laurel High School
2015-2019

PROFILE

I'm an aspiring full stack developer with good knowledge in front-end development. I love creating simple user interfaces using HTML, CSS, and JavaScript. Right now, I am focusing on expanding my knowledge to back-end so that I will be able to handle both client and server-side aspect.

EXPERIENCE

TECHNICAL SUPPORT

Concentrix | Manila | 2021

As a Technical Support Representative, my role is to assist and support the customers in resolving any technical issues they may encounter with AT&T products and services.

- Troubleshooting
- Issue Resolution
- Documentation and Escalation
- Customer Satisfaction:

SKILLS

- Proficient in front-end web development technologies: HTML, CSS, JavaScript.
- Basic knowledge of version control systems such as Git.
- Understanding of responsive design principles and cross-browser compatibility.
- Strong problem-solving skills and attention to detail.
- Effective communication and teamwork abilities.
- Basic knowledge with Java

PROJECTS:

- Developed a responsive website using HTML, CSS, and JavaScript, showcasing proficiency in creating visually appealing and user-friendly interfaces.
